**Comments**

This Invoice includes services for the month of May which Includes:1) Google Account Optimisation)  
2) Social Media Management3) Meta Ads Management  
During April, a total ad spend of \$2,452.07 was recorded. As per our agreement, the management fee was \$500 or 35% of ad spend, whichever is higher. Accordingly, the applicable fee for April is \$858.22 (35% of ad spend).  
However, an amount of \$712.83 was previously charged, leaving a balance of \$145.39, which has now been adjusted in this invoice.

Additionally, the calculation for Meta ads and SMM on the prorated basis are as below:**Social Media** (\$500 → \$700):

- Old:  $\$500 \times 20/31 = \$322.58$
- New:  $\$700 \times 11/31 = \$248.39$
- **Total = \$570.97**

**Meta Ads** (\$500 → \$1,200):

- Old:  $\$500 \times 20/31 = \$322.58$
- New:  $\$1,200 \times 11/31 = \$425.81$
- **Total = \$748.39****Note on Meta Ads Management Fee:**

**Amount Due \$ 584.07**

Our Meta Ads fee is the greater of the flat fee or 35% of ad spend for the period. This invoice reflects the flat fee. As with April (reviewed and billed in May), we'll review May's actual ad spend and bill any percentage-based adjustment in June. No retroactive change will be made without prior confirmation.
